Subd for orders with reference to paras

248 supra

The estimate for Rs 7500 for the construction of drains & formation of roads in the layout to the west of Subedar Chattram Road parallel to the Railway Lines has been sanctioned by the Chief Engr & found to be in order. It may be approved.

In regard to the acceptance of the tender, the M.L. Ch. have recommended the acceptance of the tender of Mr. Arumchellam for Rs 12,028. The Chief Engr considers that the lowest tender should be accepted unless there are good reasons that the tenderer is inexperienced or unable to finance the work.

It will be seen from Part B that there are 3 tenders for the work. The lowest tender is for Rs 9352/- by Messrs. Mathur Khosla & C. Gurappa. It is not known why his tender was not accepted by the M.L. Ch., as no reasons are given therefor in the M.L. Commr's letter. In view of the Chief Engineer's opinion & of the fact

There would be a disparity of Rs. 3000/-
between the Tender of the lowest tenderer
and the one now recommended for award
it is for orders if the M.L. committee
not be asked to state why the lowest
Tender which means less cost to the
M.L.G. may not be accepted from

TO

Mr. Narayanaswamy Naidu, Esq, BA, BL,

SECRETARY TO THE GOVERNMENT

OF HIS HIGHNESS THE MAHARAJA OF MYSORE

LAW DEPARTMENT BANGALORE

SIR

Adverting to Government Order No L 7766-69/11 120-40-5 dated 30-4-1941, sanctioning the layout of sites to the west of Subedar Chattram Road near Jeshadripuram level crossing at a cost of Rs 26,000/- and also an estimate for Rs 7,500/- as a first stage for the formation of sites and road, I have the honour to state that this Government Order was referred to the City Improvement Committee by the Municipal Council on 10-5-1941, who in turn, referred it to the works committee on 22-7-1941. The Works Committee at their meeting held on 2-8-1941 resolved that separate tenders may be called for formation of sites, roads and construction of storm water drains etc, and that the whole scheme may be taken up simultaneously. This opinion was approved by the Municipal Council on 16-8-1941. In accordance with the above, the Municipal Engineer was asked to take further action and he submitted a modified estimate for Rs 7,500/- for formation of sites in that area including earth work, roads, drains and footpaths. He also called for tenders for the above work and both the estimate and the tenders were placed before the Managing Committee, who at their meeting held on 18-6-1943 approved the lowest tenders of Messrs Ihasim and Gurappa for the above work for Rs 9,352/-. This opinion of the Managing Committee came up before the Municipal Council on 10-7-1943, when they approved the estimate for Rs 7,500/- and further resolved that the tender of Mr Arunachalam for Rs 12,023/- be accepted on his undertaking not to claim anything more than his tendered rate. A copy of the Council resolution along with the copies of the resolutions of the Managing Committee dated 18-6-1943 and works

- 2 -

Works Committee dated 2-8-1941 are herewith forwarded for information of the Government. Copies of the estimates with the reports of the Municipal Engineer are also enclosed.

In these circumstances, I request that orders of Government may be kindly obtained sanctioning the resolution of the Municipal Council dated 10-7-1943.

I have the honour to be,

emo No D 431/42 dated 13/18th January 1943 from the
Municipal Engineer, City Municipality, Bangalore, to the Municipal
Commissioner, Bangalore City Municipality, Bangalore City

Submitted to the Municipal Commissioner in continuation of
this office memo No D G1 208/41-42 dated 12-12-1941 and subse-
quent reminders dated 9-2-1942, 1-8-1942, 7-9-1942 and 20-10-1942

An estimate for Rs 26,000 for the formation of extension to
the west of Subedar Chattram Road has been sanctioned by Government
in No L 7766-69/11 120-40-5 dated 30-4-1941 and the same has
not yet been sent to this office for taking further action. His
work has been proposed to be taken up in stages and accordingly
an estimate for Rs 7,400/- was got up and tenders were called for. The
Council approved of the works Committee resolution on 16-8-1941
for calling separate tenders. A detailed report has been submitted
with memo under reference and orders are awaited to call for fresh
tenders on the lines of modifications.

There is provision for this work in the current year Allocation.
An estimate is herewith submitted for Rs 7,500/- as per the modified
proposal for favour of kind approval in order to expedite the work
during the current year.

Arrangements have been made to call for fresh tenders in anti-
cipation of kind approval, and this may kindly be approved.

An explanatory report and plans are also enclosed

2 Report to accompany the modified estimate for laying out sites
West of Subedar Chattram Road, Seshadripuram

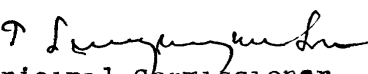

1 The previous estimates one for Rs 26,000 and one for Rs 7,500
sanctioned are defective in certain respects and hence they may kindly
be cancelled and the modified estimate sent h-rewith may be sanctioned
early.

2 The main features of the present estimate and proposals are as
under

a The dimensions of the sites are changed from 80' x 100' to
60' x 100' as the change would bring in greater amount because of the
larger demand for moderate sized sites. The proposed plan is herewith
submitted for kind approval. In all 10 sites of 60' x 100' are proposed
to be formed facing the railway line with a cross road through which
the power lines existing will continue to run with slight deviation.
The area of each site being 60' x 100' = 6000 square feet = 667 square
yards would fetch not less than Rs 4,000/- each at the rate of Rs 6/-
per square yard and in all ten sites would fetch Rs 40,000/-

b The present estimate provides for filling in the old channel
at a cost of Rs 1,760 which would give a levelled surface and present
an attractive appearance for the sites. Provision is made for meta-
lling the main road 800 feet long and a cross road 100 feet long. A
box drain 800 feet long is provided in the main road to take off the
storm water from the main road. Pitching and kerbing is provided as
well as footpaths for the main road. A 'V' shaped drain is provided
at the rear of the sites as well as in the cross road to dispose of
the waste water from houses as well as storm water. Early sanction of
the estimate is solicited as there is an urgent demand for sites and
taking up of this work would result in improving the locality considerably.

The ml Comm, Puzh, this Puzh
Sir,

With reference to your
letter no AG Dr 178/40 of 26-9-43
in the matter of the acceptance
of the tender of Mr. Arumachalam
for Rs 12,000 for the formation
of roads & the construction of
drains in the layout to the
west of the Subdarchatram
Road parallel to the Railway
Lines, I am directed to observe
that ^{generally} the lowest ^{tender} should ~~be~~
accepted unless there are ^{to the effect} good
reasons that the tenderer

with
is inexperienced or unable to
finance the work. From the
comparative statement, it is
seen that there are three tenderers
for the work & that the lowest tender
is for Rs 9352 by Messrs Mahammed
Khasim & Gurappa & it is not clear
why ^{this} tender ^{is} ~~was~~ not ^{proposed to be} accepted
by the M.C. ^{and} no reasons are also
given ^{for its non-acceptance} ~~therefor~~ in your letter. There would
be a disparity of Rs 3000/- ^{nearly} between the
tender of the lowest tenderer & the one
now recommended for acceptance.

In these circumstances, I am to
request you ~~to be so good as to~~ state
why the lowest tender which means
less cost to the m.c. ^{bl} may not be accepted in this case.

The records are returned herewith
for reference & retransmission. Very early

I have etc

Proceedings of the Bangalore City Municipal
Council Meeting dated 26-8-1944

Subject No 8 (Defd Sub No 41/24-6-1944), Letter No
L 5783/M1 81-43-16 dated 3-12-1943 from the Law
Secretary calling for reasons for accepting the
higher tenders of Mr R Arunachallam for formation
of roads and constructions of drains in the layout to
the West of Subedar Chatram Road

Mr G R Ethirajulu Naidu observed that it was
not possible for this Council, at this distance of
time, to find out the reasons which prompted the
previous Council to accept the tenders of Mr Aruna-
chalam

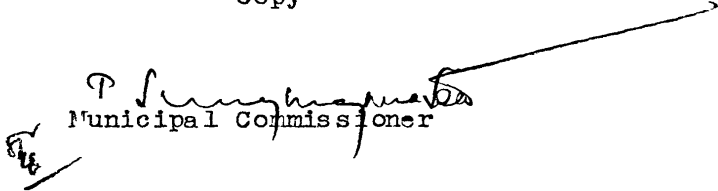

The President observed that it was too late to
find out the reasons and suggested that since there
was no probability of any contractor doing the work
at these rates, the previous tender may be cancelled
and fresh tenders called for, for the above work

Then, the following resolution was passed by the
Council

"This Council is not able to find out and furnish
the reasons which influenced the previous Council to
accept the tenders of Mr Arunachallam at this distance
of time, and resolves that fresh tenders may be called
for, for this work

LAW DEPARTMENT BANGALORE

Subject - Tenders for constructing drains and forming roads in the layout to the west of the Subedar Chatram Road, Bangalore City

With reference to your letter No L.6579-M1 81-43-49 dated 4th January 1945 regarding the above, I have the honour to state that, in accordance with the Municipal Council resolution No 8 dated 26-8-1944, copy sent to you with this Office letter of even number dated 2-10-1944, fresh tenders were called for, the latest date being 28-11-1944 and only five tenders were received as detailed in the margin against the estimate for Rs 7,500/- sanctioned in G O No L 7766-69/M1 120-40-5 dated 30-4-1941

1	Messrs	
	N Subbiah	Rs 22,857/-
2	R Arumachalam Medalliar	24,372/-
3	R Chandrasekhariah	35,781/-
4	N Ramachandrarae	37,649/-
5	Beerappa.	30,131/-

All the tenders were placed before the Municipal Council at their Meeting held on 22-1-1945, when they accepted the lowest tender of Mr N Subbiah, for Rs 22,857-7-0

I enclose herewith a copy of their resolution together with the comparative statement of tenders for your information and request you kindly to obtain early sanction of Government to the tender accepted by the Municipal Council

I have the honour to be,
Sir,
Your most obedient servant,

R. S. S. S.
Municipal Commissioner

Constructing drains and forming
roads in the lay-out to the west of the
Subedar Chattram Road, Bangalore city

Sr,

With reference to the correspondence
ending with your letter no Az 67-481-44
d 3-3-45, on the above subject, I am
directed to observe that tenders for the above
work were first called for in June, 1943
and the lowest tender was for Rs 9352-
According to the tenders now received it is
seen that the cost of the work based on
the lowest tender rates comes to Rs 22857,
which will be nearly three times the
original estimate for Rs 7500-

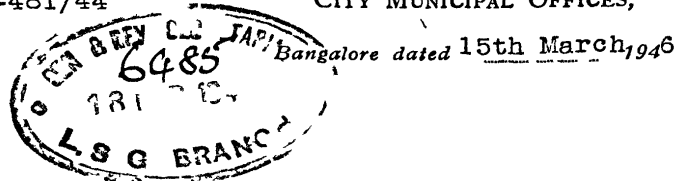

In view of the above, I am to
enquire whether the work is spent and
cannot be put off and whether the lower
tender is still open

An early reply is requested.
